For an explanation of the two-letter codes and the other abbreviations, reference is made to the explanations ("Guidance Notes on Codes and Abbreviations") at the beginning of each regular edition of the PCT Gazette

As printed

(54) Title: SUBSTITUTED THIAZINES AS MATERIAL PROTECTING AGENTS

(54) Bezeichnung: SUBSTITUIERTE THIAZINE ALS MATERIALSCHUTZMITTEL

(57) Abstract: The invention relates to novel thiazines of formula (I), wherein the substituents R¹ to R⁷ have the designation cited in the description, and to the metallic salts and acid addition compounds thereof. Said novel thiazines have an excellent capacity for protecting technical materials from being infected by micro-organisms.

(57) Zusammenfassung: Die neuen Thiazine der Formel (I), worin die Substituenten R¹ bis R⁷ die in der Beschreibung angegebene Bedeutung haben, sowie deren Metallsalze und Säureadditionsverbindungen eignen sich hervorragend zum Schutz von technischen Materialien gegen Befall durch Mikroorganismen.
